Campus Staff

A lot of hard work and dedication were involved between the first and last deadlines. The "old-timers" organized and planned along with the help of the new members.

Being a member of the yearbook staff is much more than looking at pictures and roaming through the halls selling donuts; a lot of hard work and time is involved. Throughout the school year dedicated staff members spent endless hours, during and after school in the S.A.R., slaving to produce the best possible yearbook.

We made it through many rough times and have developed treasured memories through the production of this yearbook.

Under the supervision and loyal support of Mrs. Wright, we were given the opportunity to develop our skills, talents, and abilities and instill within ourselves a special kind of pride that comes from knowing that we have done our best to produce a book worthy of the name KISKI AREA 1985 CAMPUS YEARBOOK.

To everything there is a season, and a time to every purpose under the heaven:
A time to be born, and a time to pluck up that which is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones together;
A time to embrace, and a time to refrain from embracing;
A time to get, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;
A time of love, and a time of hate;
A time of war, and a time of peace.

The Class Of 1985

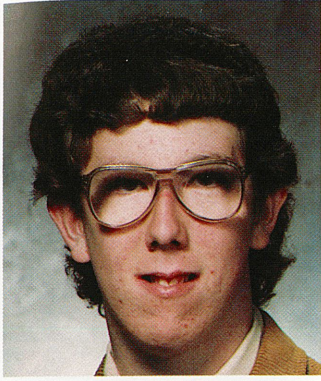

As we, the graduating class of 1985, leave the familiar halls of Kiski High School, it is with happy, fond memories, but heavy hearts that we can look back over the past twelve years. They have been formative years which have shaped our personalities and influenced our lives. They have taken us from being cautious and frightened children, on our first day of school, to being adventurous adolescents who are ready to take on the world. It has been our high school days which have shown us some of the best of times and have taught us how to deal with the worst of times. They have prepared us to enter into today's society, but they have given us something more. Whether we plan to attend college, marry or join the work force after graduation each of us will leave with his own set of memories of these days which have enriched our lives. As the years go by and the names, faces and particular events begin to fade, it is hoped that we can look back through these pages and recall our fondest memories of Kiski. The best of luck is wished to each member of Kiski Area High School's 1985 graduating class. It is also hoped that each of us will someday see the fulfillment of his dreams and aspirations and never forget our Kiski pride.

1985 Homecoming Court

A dream for many girls is to become the high school homecoming queen. The Homecoming activities began about a week before Homecoming with the nomination of six girls to be on the Homecoming Court. On Wednesday, September 26, all the seniors voted for one of the six girls to be this year's queen. The anticipation kept growing throughout the rest of the week as everyone kept guessing who the queen would actually be.

Finally, the night arrived. On Friday, September 28, at 7:30, this year's Homecoming Queen was to be announced. As all the girls paraded onto the field, their minds were full of wonder as to who would be this year's queen. Each one envisioned herself as becoming the next queen, but they all knew there would only be one queen.

And the 1984-85 Homecoming Queen was . . . Tina Roush with her escort Tom Rolniak.

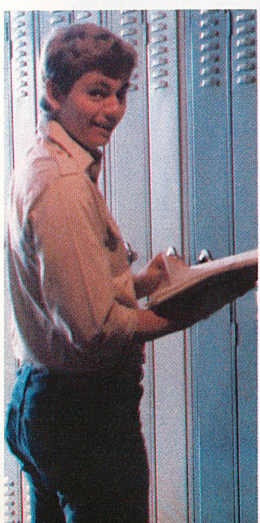

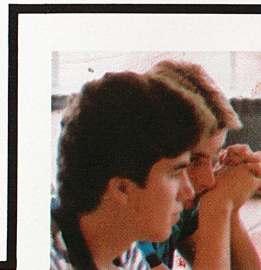

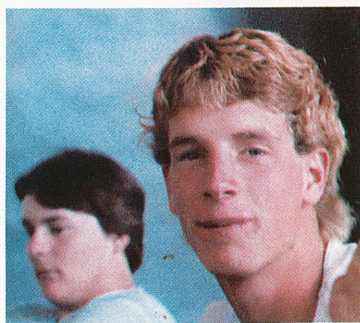

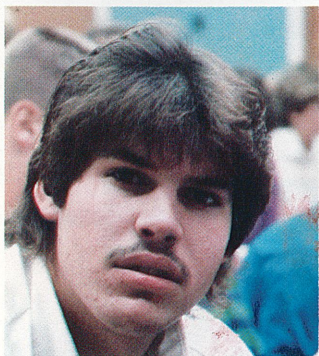

The rest of the 1984-85 Homecoming Court included Donna Antenucci-escort Todd Answine; Lori Kanick-escort William Bush; Jill Solar-escort Nick Besh; Sheila Sprague-escort John McCaffrey; and Paula Swigart-escort Patrick Bono.

Homecoming will last forever in the memories of the girls in the court, as well as in the minds of their friends and fellow classmates.

Junior Officers

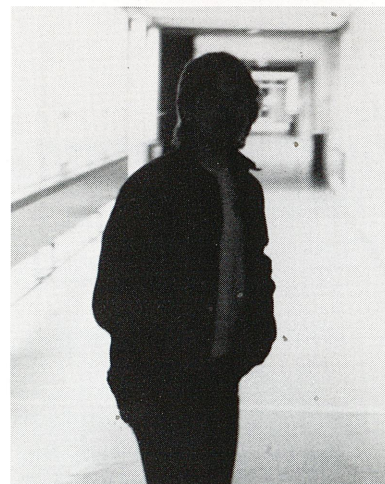

Richard Tomicek, Treasurer; Aaron O'Connor, President; Yvonne Mitchem, Secretary; Michael Calizzi, Vice President.

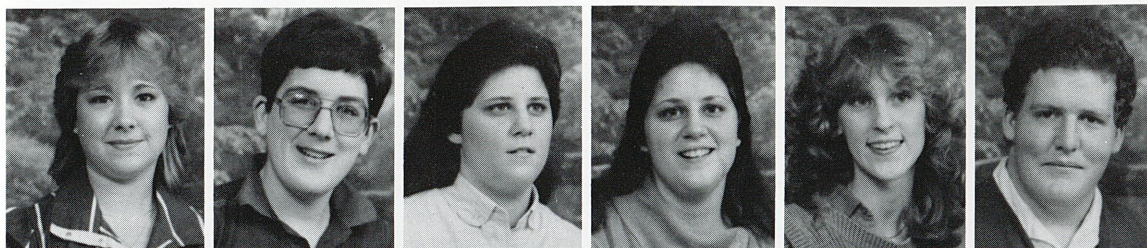

We juniors began our year in anticipation of the times to come. The future would bring us much excitement. Arrival of class rings in October got us off to a good start. Following that, we realized it was time to begin studying for the PSAT's and SAT's which lay ahead. Of course, along with the work we succeed in having a lot of fun. We sold candy, and at the end of the year attended that long awaited prom.

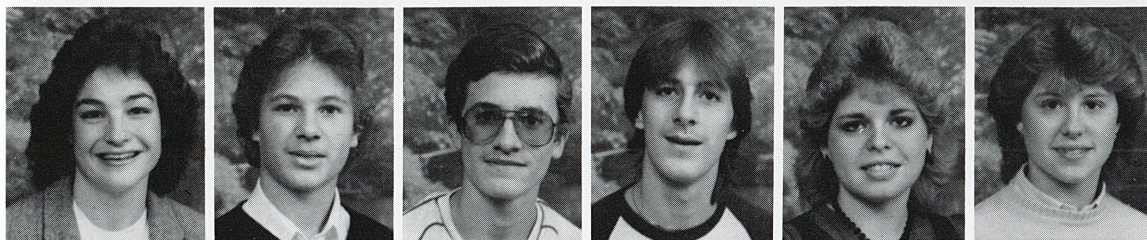

As we look back at the last two years at Kiski we remember all the great times and look forward to next year when we will be the "super seniors."

Sophomore Officers

Matt Herbster, President; Kelly Ebel, Treasurer; Risha Townsend, Secretary.

September 5, 1984, was the day for which we had waited so long. We were finally at the senior high, the "Big K". After being at the top in our junior highs, we had advanced even higher. Were we ever mistaken.

Once again we were the "little sophomores", the low group in the school.

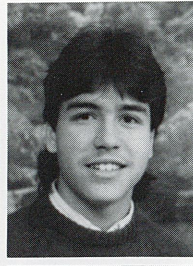

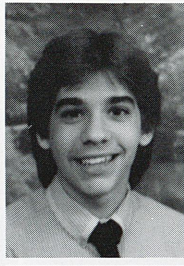

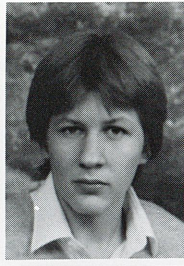

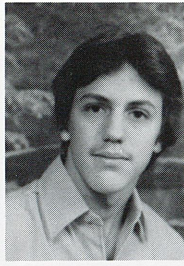

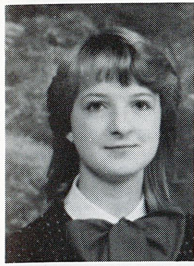

We were awed by the size of the school. It seemed we would never find anything. Of course that feeling did not last long.

After the first semester time flew by and we were able to order our "class rings". We had a great time planning our first big social event, our sophomore Dance. Before we knew where the days had gone, we were no longer sophomores, but Juniors. Next year we will be the upper class to two new groups, not just one.

TEACHER OF THE YEAR

Dr. Vagionis congratulates Mr. Robert Yajko

It is a pleasure to honor Mr. Robert Yajko as this year's recipient of the Teacher of the Year Award. Mr. Yajko, a teacher of Astronomy and Earth and Space Science, was chosen by the 1984's senior class in cooperation with the Kiwanis Club of Vandergrift for his outstanding contribution in teaching.

Every year the award is presented to a teacher in each of the following levels: elementary, junior high and senior high. The teachers are evaluated not only on their teaching techniques, but also their personalities and concern for the students.

Mr. Yajko more than fulfills these criteria and for the past 22 years has set a high example of teaching excellence for the Kiski Area High School.

Once again, Congratulations Mr. Yajko on a well deserved honor.

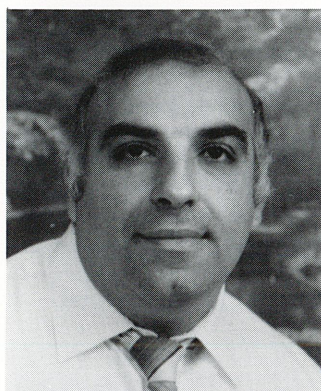

Congratulations!

The 1984-1985 Kiski Area Marching Band under the leadership of Drum Majors, Mauria Raschiatore and Joe Bitar began in late August. As usual we kicked off the season with 2 weeks of band camp. We marched in the Kennywood Park Parade the 2nd week of August. We marched and played for all the football games. Our next endeavor was the "Celebrate the Seasons" Parade sponsored by Kaufmann's. Once again we received 1st place in the band competition.

In May we traveled to Niagara Falls, Canada for a parade competition which proved to be a success, thus showing us that all those practices are part of the reason the Big "K" Band is the BEST !

With marching band season soon coming to an end, Mr. Botti started organizing the concert band to start practicing for our concert. Soon after the music was passed out and everyone was organized, we immediately started practicing. Along with our regular band rehearsals we also had morning rehearsals during activity period and weekly lessons for each section. Our hard work paid off which was shown by the result of our spring concert.

After the marching season was completed, we went straight to work on our symphonic band music, preparing for our performance at Indiana University of Pennsylvania and also our annual spring concert. The music Mr. Lamendola chose for us was challenging but with a lot of practice and Mr. L's help and encouragement, we were able to play the music with the true mastery the artists had intended for the pieces. In so doing, we upheld the musical excellence Kiski's Symphonic Band is known for.

Marching In Style

As the members of the Kiski Area's Majorette corp, the 1984-85 marching season held a great deal of promise for us. We were determined to make the year the best it could be. Our year began early, with long, hot practices in the summer. We attended majorette camp where we were awarded a trophy for being the "Most Outstanding Corp" and then moved into two long weeks of grueling bandcamp. The hours we spent learning and practicing routines seemed endless but we never stopped pushing ourselves as we strove for perfection.

The reward we received for the work was the feeling we had at each and every performance. With our heads held high, our smiles bright and our batons flashing, it was the feeling we had when we were able to step out with the confidence and pride that came with being a Kiski Area Majorette.

Our hard work proved to be very successful when we took first place, along with the band at the Kaufmann's Christmas parade. Our season finally came to a close with a fine performance at Niagra Falls.

We would like to congratulate the members of the colorguard for a great year. We will always cherish these fine memories and we will never forget the times that we've spent together.

The mixed chorus did very well this year. We've learned alot of skills that helped prepare us to become part of the concert choir. Our director, Mr. McClelland taught us about tone, reading music, and all the other important qaulties that go into singing. At the beginning of the year we learned how to march. All the hard work payed off when we participated with the concert choir in the Celebrate the Season Parade in Pittsburgh. We feel this year has been a big success and hope next year will be even better.

CONCERT CHOIR

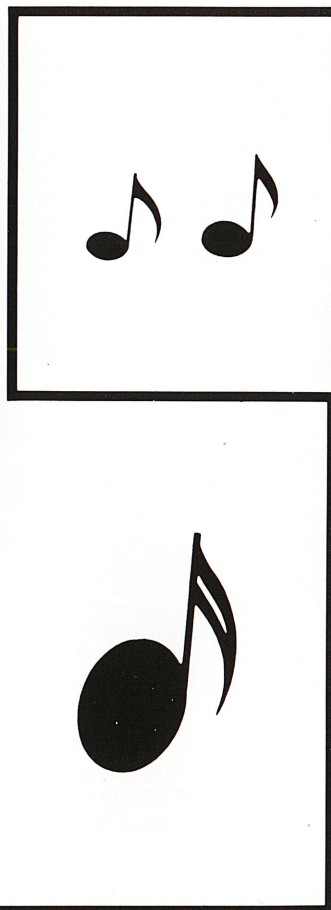

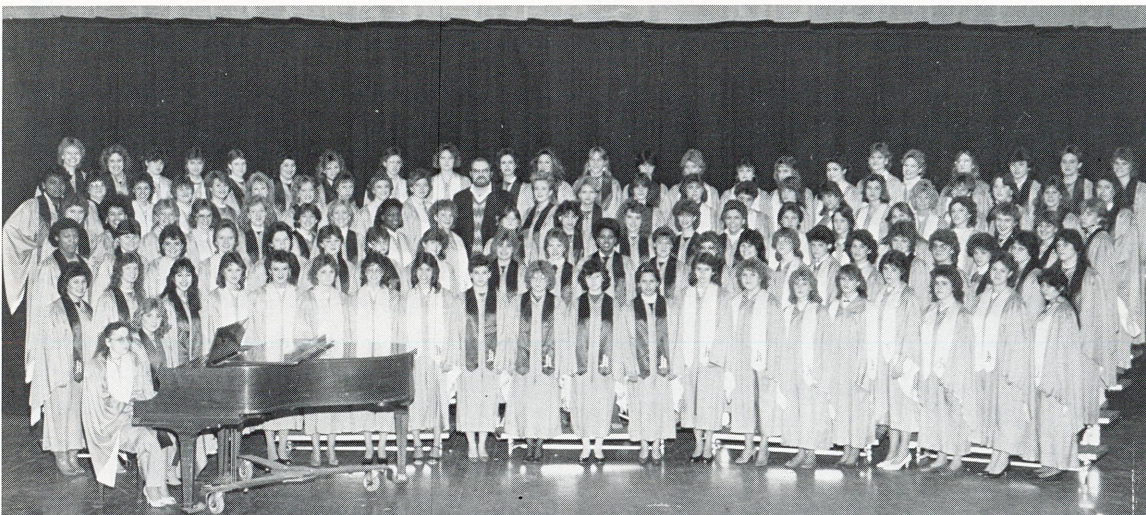

This year the Kiski Area Concert Choir made a little of Pittsburgh history. Kiski was the first choir to march in the Kaufman's Celebrate the Seasons parade in Pittsburgh. The cantata, Forever Christmas, was performed in December and was one of the best concerts the Concert Choir has done. After having such a successful year the Concert Choir will most likely set into more challenging projects in years to come. What they have achieved so far is just a indication of bigger and better things in the future.

HONORS CHORUS - JAZZ ROCK

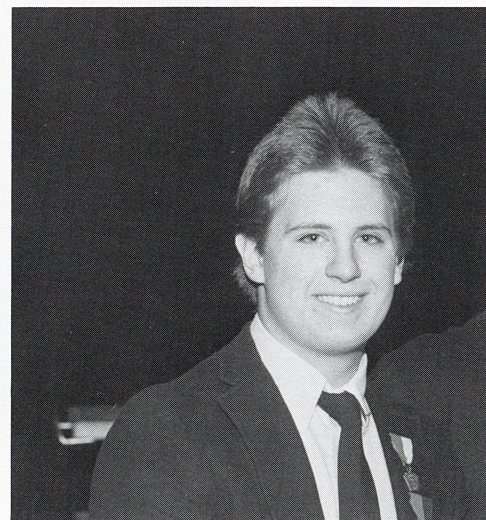

If just regular chorus is just not fulfilling enough for you, then you have the choice to apply for County, District and Regional chorus. This year eighteen students from Kiski attended County Chorus. Tracey Nabors, Todd Pollack, Erik Parks took one step further and attended District Chorus. One student, Erik Parks even went as far as Regional Chorus. It is quite an accomplishment for these people to expand their horizons. We would like to congratulate all our members involved.

Jazz Rock is becoming a regular at Kiski Area however it has made a few changes this year. The old way of singing all pop music has subsided. Today we sing more Jazz, and ledd rock.

We have eliminated the band, and play tapes for music. Also, the women wear dresses, and the men suits. It takes alot of dedication to be successful in a group such as this. Our hard work finally pays off when we get the results of our combination of talent.

We get to send out bulletins, go for students who get called into the office, and deliver mail. A teacher's secretary types, corrects tests, makes dittos, and does various other jobs. We also get to know the faculty better. We all work together which benefits ourselves and those around us.

AUDIO VISUAL

The Audio-Visual Club is responsible for maintaining and delivering all the visual aids that the teachers need to make our classed an little more exciting. They are the people that everyone sees in the morning pushing different types of projectors. Mr. Duckworth and Mr. Stauffer are their sponsors and helped everyone learn about the different aspects of communications. One of their main activities was running the televisions equipumt for the fabulous Christmas Telethon, for the Salavation Army. They also spend their time taping various sports events. They even broadcast the graduation ceremonies "LIVE" into the homes of the Kiski Valley. The A-V Club had a very active and exciting year.

Would you like to be one of these people? Who you ask? Well, we're talking about the library aides. We are the students who give up our free periods and study halls to help Mr. Kulas in the library. We students help other students who are in distress and need help to find books, microfilm, magazines, newspapers, and even help with the latest addition to the library, the computer. Also, another one of our favorite jobs to do is deliver the overdue slips to the students who have not returned their books on time. Also we must return the library passes to the teachers. We are a big help to Mr. Kulas and we are also a very big help to the students.

Parlez-vous Français?

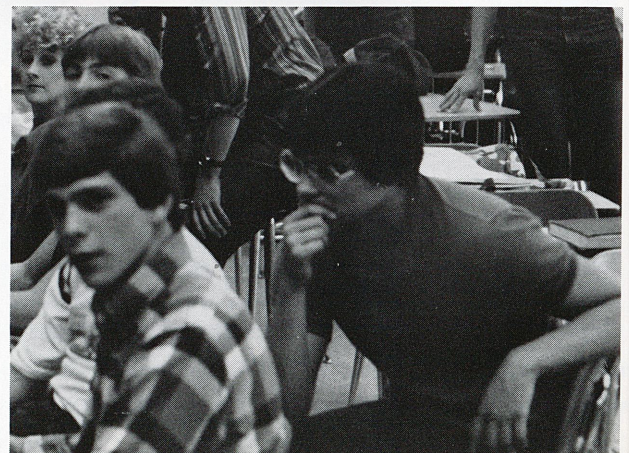

A lot of people dream about France, Paris, but how many of you dream about room 203? That's right! Every second Wednesday of the month a bit of French culture comes to Kiski—the French Club.

With our sponsor, Mrs. Baun, we enjoyed many activities. One was to go to I. U. P. to watch a french movie.

To celebrate Christmas this year, we had a Christmas party where we sampled some elegant French desserts. We also participated in the Kiski Area Christmas telethon by singing French Christmas carols on the air.

We learned about "le jour do Poison" better known as fishday, which is April Fool's day in America. On that particular day, we sold cookies in the shape of fish.

We ended the year by haveng our annual banquet, which turned out to be a lot of fun.

Under the direction of Mrs. Love, our Spanish Club began to work a few weeks after school started. We divided our club into three committees; Activities, Newspapers, and Fund Raisers.

As members of the Spanish Club we participated in many activities through the year. This year we took a trip to Pittsburgh's Syria Mosque to see the music group "Kantareo". After the concert, we went to Station Square to eat delicious Mexican Food at Tequila Junction. This year we also participated in the Christmas Telethon. We raffled off Piñatas and sold baked goods to help raise money.

Between these activities, we are continuously working on the Spanish New Paper. The "Que Pasa" is passed out to all the Spanish Classes.

Soon after the holiday season was over, we started (along with the other language clubs) on the plans for International Week. Which is held from March 4 through March 8. During the week we did many activities. We held an International Coffee House, we also

sent Spanish 4 and 5 students to the Junior High's to talk about what we do at the high school.

Finally for our last project of the year, we went to Pitt's-Greensburg Campus to listen and participate in various lectures, plays, skits, and writing competitions. We also enjoyed eating various foreign foods which were served on the campus.

With all of these projects during the year, we never seemed to have a spare moment!

We also helped "Mr. Safari Man" himself Wally Taber by selling tickets and we helped out at the show at Vandergrift Junior High. We took part at the Red Cross Blood Drive in Vandergrift, and we went to lunch periodically with the Vandergrift Kiwanis Club. All around it has been a successful year.

Tri-Hi-Y is an organization advised by Mrs. Staney.

Our organization is concerned with helping the needs of the school and the community.

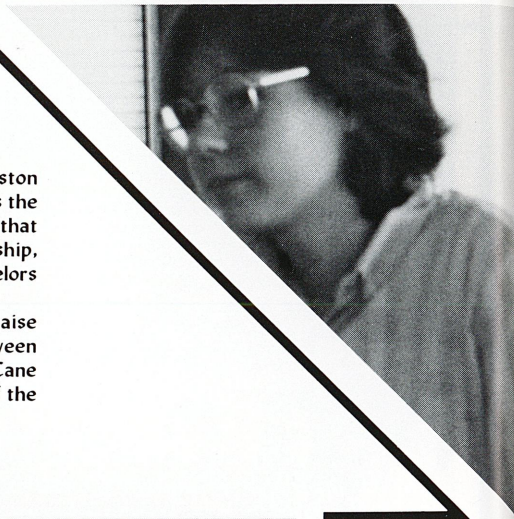

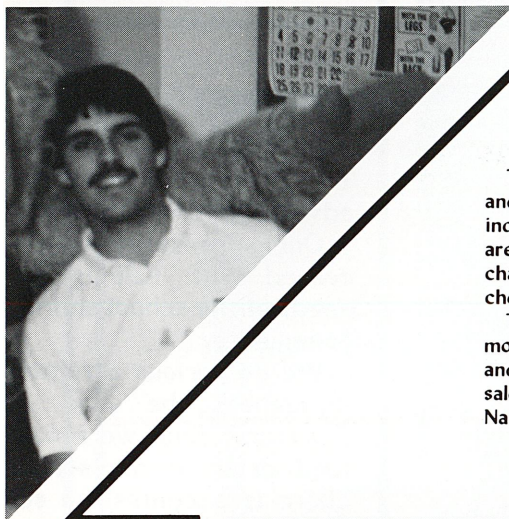

We do various activities throughout the year. At Christmas time we hold a food drive in the school. There is a contest to see what sophomore, junior, and senior homerooms bring in the most amount of food. All of the collected food goes to many needy people in the immediate area.

Our organization's objective is to hold projects that will help help better the school and community in which we live.

NATIONAL HONOR SOCIETY

The National Honor Society is sponsored by Mrs. Clugston and Mrs. Answine. As in previous years our main project is the induction of new members on March 20. The four qualities that are looked at in a possible inductee are leadership, scholarship, character, and service. The Faculty and Guidance counselors chose the inductees.

To help pay for this we have had some projects to raise money. We have had Hoagie sales, Coffee House at Halloween and at other times, and we also had a Christmas Candy Cane sale. The extra money is used for banners that members of the National Honor Society wear during graduation.

THOUGHT FOR THE DAY

Doing a common thing uncommonly well often brings success.

When a thing is done, it is done. Do not look back. Look forward to your next objective.

Happiness is not doing what one likes but liking what one has to do.

The absent are never without fault, nor the present without excuse.

Seated: K. VanDenHeuvel, R. Stitzinger, K. Kropp Standing: T. Answine, M. Marshall, J. Moore, D. Antenucci, Mr. Israel

It is difficult to really enjoy victory until you have known defeat.

We were chosen by our guidance counselors and Mr. Israel, our advisor, as a members of the Thought for the Day Club. As members we are responsible for choosing a quote or phrase as a morning announcement. This gives each of us a chance to talk over the PA System, and give what we hope is an inspiring thought of wisdom to brighten everyone's day.

BIBLE CLUB

The Kiski Area Bible Club has made its first year in history at Kiski Area High School. With a membership of over twenty, the club meets every week enjoying fellowship and discussion of the Bible. Since there are many different denominations of christian churches within the school, we stick to the plain teachings of Jesus Christ and put them to use to help us in school and in our everyday lives. Everyone in the club is encouraged to participate. Each week someone in the club will present a subject and discuss it with the group. Each week following a different member or members will present new topics. It is strictly on a voluntary basis, we are glad to say participation has been great! We thank the school administration for their help and all their support. We also thank our sponsor Mr. Stauffer who has been a great help and a good friend. We all agree the club has been a benefit to us, we have made new friends, and shared the joy we have found in The Lord.

Drama Club

Hollywood, Here We Come!

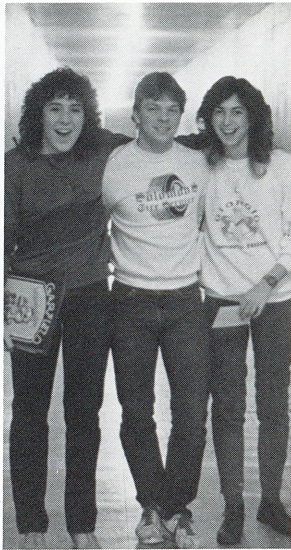

This years drama club got off to a slow start. With the large backup from our sponsor, Ms. Wichrowski, things started to go swell! Although we didn't have a production this year, we still learned a lot about drama. Because of the small group we are, we feel we should get more people involved and maybe have more musicals and plays in the future.

Safety is our goal! Do you wear your seatbelt, or drink and drive? Those are questions the Youth Traffic Safety Council is asking. Under the direction of Mr. Woitas, driver's education teacher, our group of 14 students work year round to make Kiski a safer place for everyone. Kiski's chapter is in charge of Westmoreland County YTSC.

Various Projects have been run throughout the year including presentations at civic groups, the "Convincer" at the KA telethon, sponsoring guest speakers in the driver education classes, seat belt incentive programs, and "Beltman" shown to the elementary students.

Kiski's YTSC was rewarded recently with an outstanding chapter award, and is regarded as one of the top chapters in the state. Our motto is don't drink and drive, and buckle up!

Both competitions turned out to be very successful. In addition to the competitions, we meet every month to discuss science problems and do experiments. We feel the club has helped us to be better students.

The climax of our season was the playoffs in which our boys basketball team participated. We will always remember the great times we had this year as a winning squad.

KISKI PRIDE

Seniors

Juniors

This year a new club was formed called Kiski Pride. As members of this club, we are responsible for supporting all school activities. The club's major events included bus trips to away events and the sponsoring of pep assemblies. We hope that the spirit and pride will be continued in the years to come by the under classmen.

Sophomores

VO-TECH

The Northern Westmoreland Area Vocational Technical School is where students from Kiski, Franklin, Valley, and Burrell, go to get hands-on-experience in a number of career choices such as Commercial Art, Food Services, and Auto Body to name a few. The students spend half of their day at the Vo-tech and the other half at their home school. In some cases, after graduating from the Vo-tech, students can go straight to work, because they already have the education and training needed to enter their field of work.

"I know it fits here some how!"

Hmmm . . .

Nice job, huh?

"What do you mean you smell smoke?"

You light up my life.

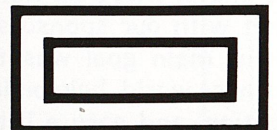

"What do you mean, no pulse?"

Junior Achievement is made up of students from the Kiski Valley who have an interest in getting some experience in producing, marketing, and selling products. We meet every Monday night in our wood and metal shops to work on projects and meet with our sponsors and advisors.

Our main goal was to learn about the business world, help build a profitable organization, and earn a little extra money in the meantime. The knowledge and excellent experience gained through J.A. will help us greatly when we enter the world of business.

Government At Kiski

This year our school got involved in the Presidential Election of 1984. We decided to hold a debate and a mock election. We wanted to see which presidential candidate would win in our school.

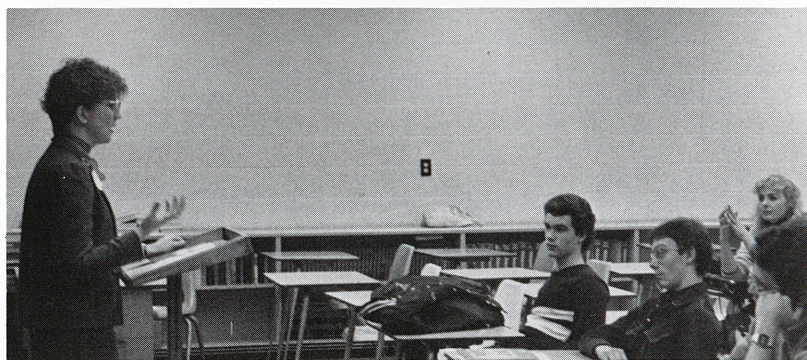

Our sponsor Mr. Steuart, selected a chairperson (Mary Kay Marshall) from those who signed up to be members.

We divided the group of students into 4 committees; Debate, Media, Election, and Decorations. Each committee had a specific purpose in this event.

On October 17, 1984 we held a debate in front of the whole student body, in which 4 students for Mondale, and 4 students for Reagan, presented the issues and view points of each side. The debate went very well.

On November 2, 1984 we held the mock election during activity period. All the students voted in the homerooms, and the ballots were kept confidential. The election committee counted all the ballots during the day. At the end of the day the Principal made the announcement of all the winners in the election. Mondale won over Reagan with a 34 vote difference. After the announcements all the students received balloons and went outside to hear the chorus sing for the celebration.

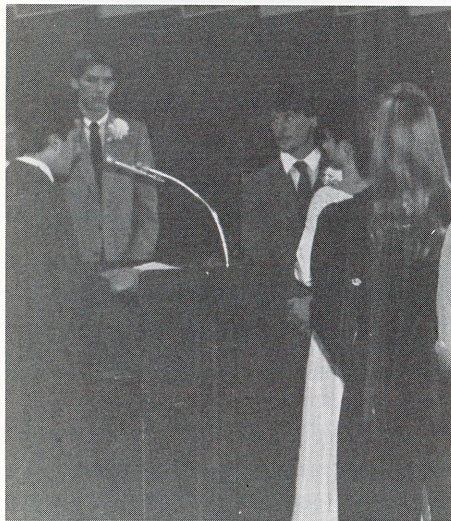

Some students were sad that their candidate did not win, but everyone had a great time letting the balloons go off into the sky. The Mock Election of "84" was a great success at Kiski High!

Career Day

Each year, as students at Kiski, we are given an opportunity to explore two career fields of our choice. Time out from classes is spent listening to the many guest speakers who attend this activity. Here our questions are answered, and hopefully we manage to gain some needed facts through the experience. All considered, career day proves to be a helpful hand in planning our futures.

"WEDDING DAY"

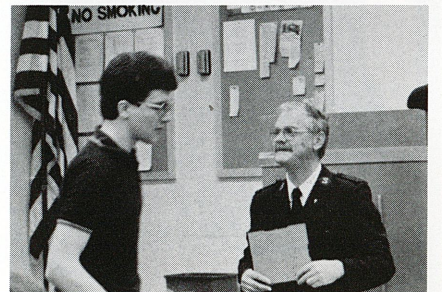

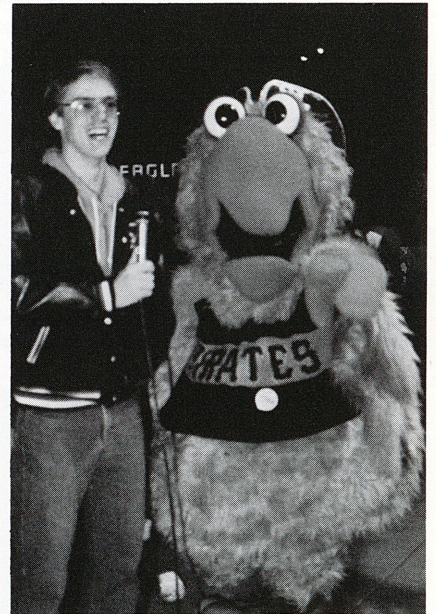

TELETHON

Bottom: J. Moore, T. Nabors, S. Kupas, Top: J. Fulton, G. Ahlquist, B. Bush, C. Walton

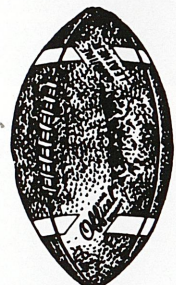

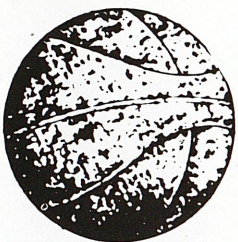

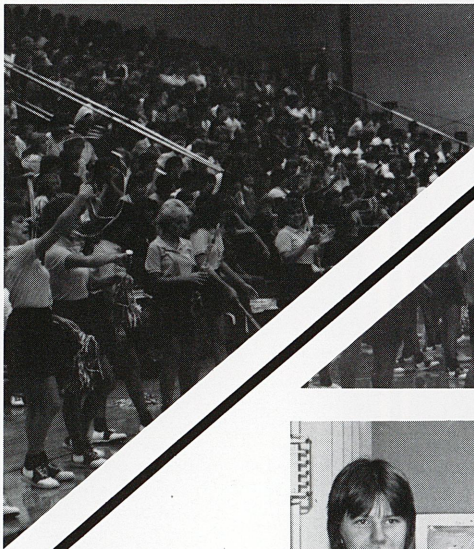

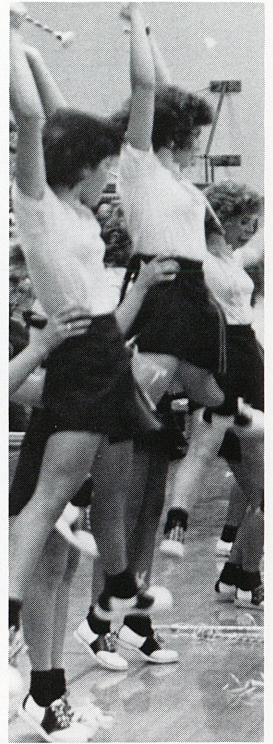

The Christmas season brought our annual telethon to Kiski. Our many efforts raised over \$8,000 in cash plus food goods for the Salvation Army. We who worked at the telethon received visits from such honored guests as the Terrible Fan of the Pittsburgh Steelers, Mrs. June Walters of the Pittsburgh Chapter of Mother's Against Drunk Driving, Freckles the Clown, and of course Santa Clause. We had a great time doing such a worthy deed for our community.

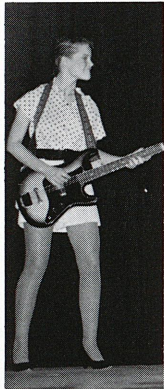

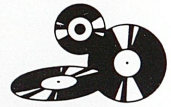

PEP ASSEMBLIES

Here at Kiski, we have the perfect solution to boring activity periods. At our pep assemblies, we all join together in the gym and show the football and basketball players that someone supports them and expects them to do their best. By screaming cheers at the top of our lungs, we arouse the spirits of both the team and the students while showing our pride in the school.

PUTTIN' ON THE HITS

Puttin on the Hits, which was a first at Kiski, was organized by the student council. This event gave students a chance to demonstrate their talents to the rest of the school. They all did a very good job!

HAPPY HOLIDAYS

Holidays are always exciting at Kiski. For Halloween we celebrated by having a dress-up-day. Our dress-up-day was a big success. It was sponsored by the student council.

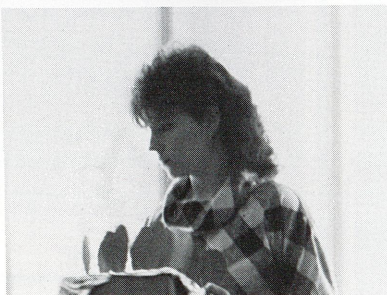

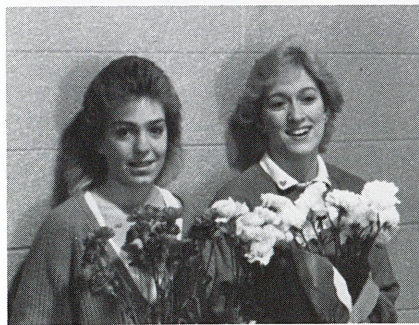

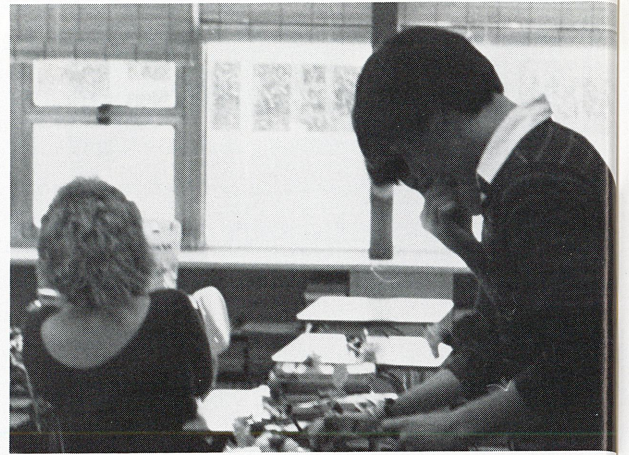

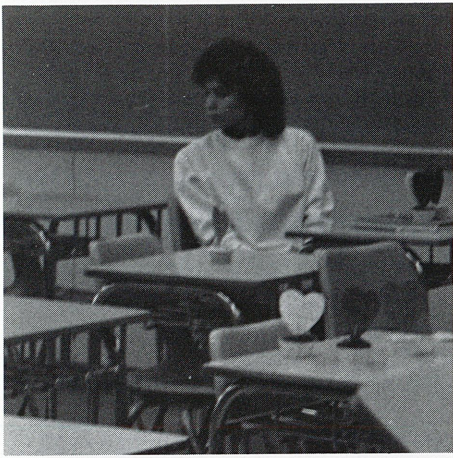

At Christmas time we celebrated the season with our annual Christmas telethon and the decoration of Home Room doors. The National Honor Society sponsored a candy cane sale, which was very successful.

Valentines Day came with carnations and cupcakes. The cupcakes were delivered by the F.B.L.A. and the carnations were delivered to us by the Student Council.

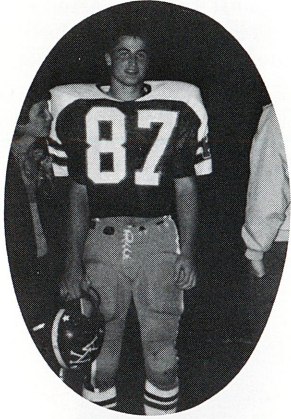

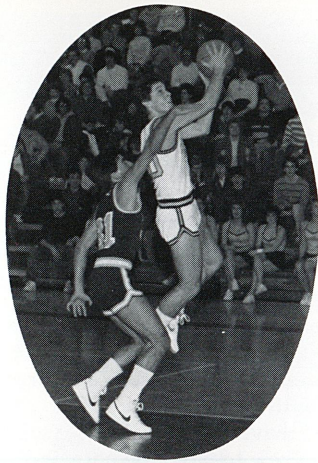

All this goes to show Kiski's spirit lasts all year round.

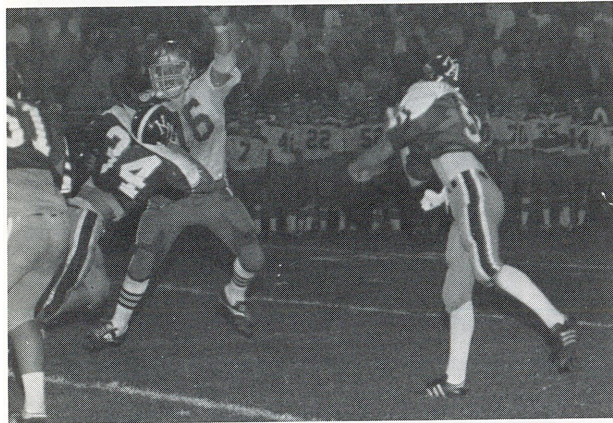

Sports

FOOTBALL

We started our season in the second week of August with our preseason conditioning, and found that we had a lot of team goals to accomplish at camp. (Lock Haven University)

After the first 3 days of practice, the team grew as one and we knew we were all a major part of the team.

We opened our tough schedule with our first game against Latrobe. After a disappointing loss (20-8), we learned from our mistakes and good coaching. With team spirit, we defeated Valley 7-0. In spite of strong confidence and dedication we finished the season with a 5-5 record.

Although we didn't have the winning season that we worked for, the team became close and we grew to have the care and respect that you find in a family.

Though we were only 5-5, we know deep in our hearts we are going to be the championship team we started out to be NEXT YEAR!

Fantastic! Great! Invincible! These were the words used to describe us this year. As the members of Kiski Area's boy's varsity basketball team. We saw our names and faces in the press like never before and the stories always sang our praises.

Our team overflowed with talent and under the critical eye of Mr. Sam Intrieri we were able to put that talent to work for us. Game after game we conquered our opponents. We finished the season with an undefeated section play record and succeeded in capturing Kiski Area's first ever section title. In turn we were invited to compete in the WPIAL's.

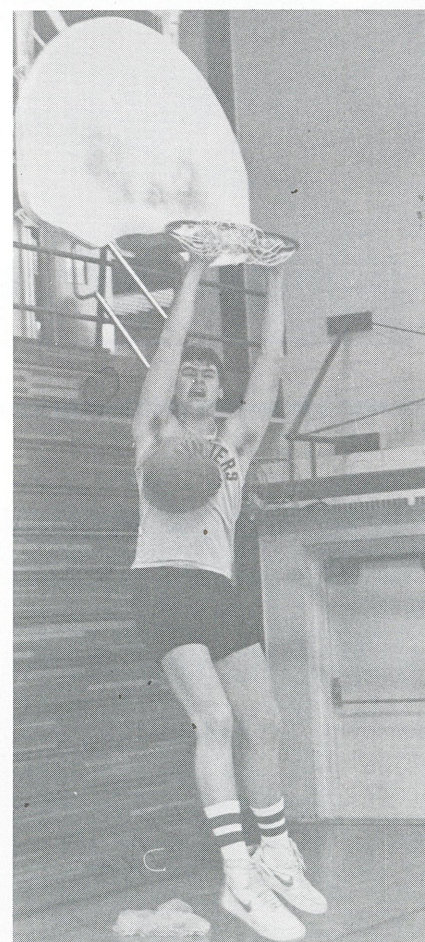

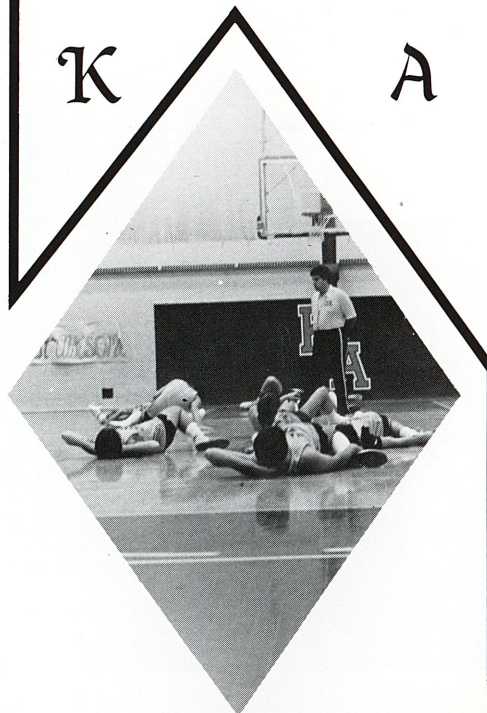

This was an exciting year, not only for us but also for our fans and supporters. We set school records, made school history and caused all of Western Pennsylvania to stop and take a second look at Kiski Area and its basketball team.

Each of us on the team will treasure his own special memories of this season, memories of our own incredible shot or of the team's spectacular win, but most of all we will remember how we brought pride back to Kiski.

The varsity team had a tough job this season after losing many fine players, we had to work hard, but we gave coach Tom Pipkins our 100 percent. The team was led by seniors Mauria Raschiatore and Jamie Doverspike, plus junior, Alicia Bisaha. Although the scoreboard didn't show it, we the 1984-85 Lady Cav's gave this season our all.

Seniors: T. Nabors, M. Raschiatore, J. Doverspike, L. Jagodzinski.

The girls J.V. basketball team coached by Debbie Petrosky has had an unsuccessful season. The coach attributes the unsuccessful season to young and inexperienced players. But next year hopefully will be a better year.

The boys J.V. basketball team coached by William Ceraso had one of its best seasons. Asayan Jordan, a sophomore, led the team in scoring to win the section title.

The boys and girls swim team had a terrific season this year. We started our tiring workouts in Mid-November by being on deck doing push ups and sit ups by three o'clock and we also practiced four a.m. to eleven-thirty a.m. on Saturdays. Dedicating our time to the hard workouts did pay off, the boys season ended 9-4, while the girls season ended 9-3.

This year, eight of our top swimmers qualified for WPIAL's held February 23 at Pitt.

We have many good swimmers returning next year, and we hope the season will go just as well. "How 'bout them Cavs"

Our 3rd place finish this year was not satisfying. Two critical sudden death losses ruined our hopes to enter the play-offs. Every match for us was close except for the losses to Plum, the section champions. Although Coach Veselicky is losing his top 2 men he is optimistic about next year. "There are enough guys returning with experience, so we should do O.K. next year." says Coach. With that kind of encouragement, we know we will do much better next year.

Senior Golfers: M. Fiorina, T. Answine, P. Bruno, T. Waddell, Coach Veselicky.

The 1983-84 Tennis Team was coached by Lou Santia. The Tennis Team was still under the 50% mark but showed improvement over the 1982-83 season. This improvement was caused by experience, out of the seven starters, six were seniors. A junior and a freshman also alternated in starting positions. The Tennis Team also had many sophomores and Freshman playing exhibition matches. In the next few years with the improvement of their skills we feel that the teams record will continue to improve.

When spring came around last year, there was talk of a section championship buzzing through the locker room. Yet as the season continued we ran into some hard times, including a varsity game at Latrobe in the snow. Our record is somewhat deceiving though, as we lost a lot of close ones. Our JV members were more fortunate with a total of six wins and three losses. Even though we didn't do that well this year, we're expecting some good talent in the future and are looking forward to the games ahead.

Bottom Row: V. Curcio, M. Swatchick, S. Duckworth, S. Ross, A. Jordan, M. Domaracki. Top Row: J. Prenni, S. Kuhn, L. Stotler, R. Morlacki, L. Lizik, R. Tomicek, J. Stokes, Coach Martier.

We had an average year in our softball season. We worked hard at our practices and gave it our all at the games. We will expect more people to go out for softball next year because of the loss of our seniors and the gain of the ninth graders.

We would like to thank our coach for his great coaching and the good seasons yet to come. We were good last year, but we will be even better next year.

This year was a big adjustment for us. We had much work to do to compensate for the loss of five of our six starters from last year, and we had to adjust to a new coach. Not too much was expected from us, but we pulled through. We came in second in the section - losing only to long-time rival Plum. This qualified us for W.P.I.A.L. quarterfinals. We were eliminated in the semi-finals, which ended our season with a record of 9 wins overall. We look forward with anticipation to next year when four of our starters will return.

Cross-Country. What is it? It is probably one of the most grueling and most demanding sports at Kiski. The team puts in about 25-35 miles a week for a month before the season starts. But it pays off.

This year we were up against some of the best runners in W.P.I.A.L. but the team still held its own with good showings at the invitational and qualifiers. This year, senior Steve Uhing went to state competition and was fairly successful.

One, Two, Three Pinned. These are the favorite words of the K.A. wrestlers. They run steps, run in the tunnel, around the pool, or jump rope, all to lose a few pounds. Those few may not mean much to you, but to a wrestler it makes all the difference in the world.

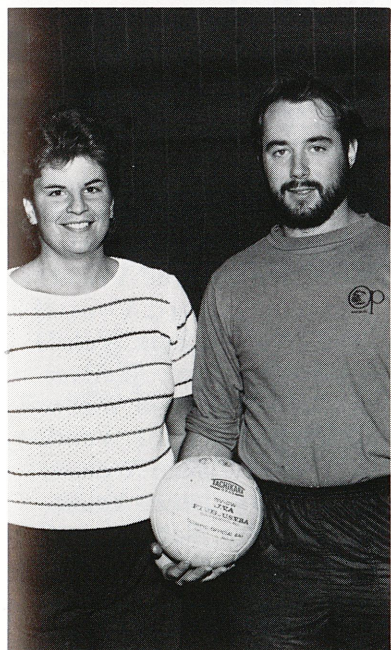

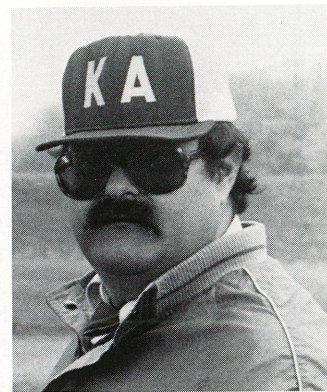

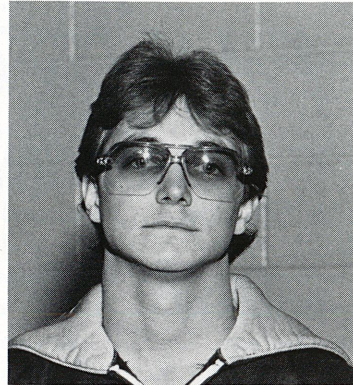

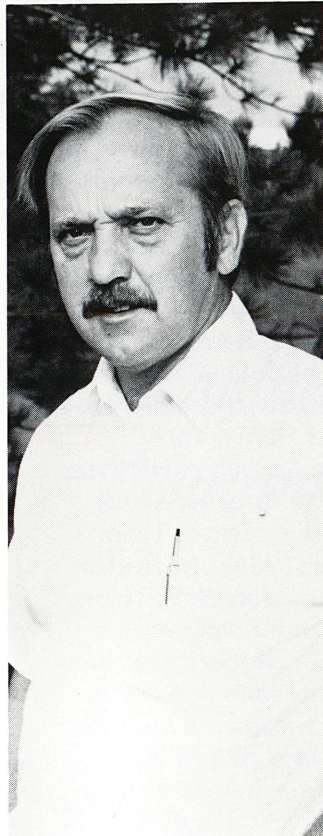

The 1984-85 team was lead by senior captains Fred Ferarro and Jim Dececco. The wrestlers personal records faired better than the teams record, but hopefully will do better with 10 returning lettermen for next year.

*Motto: Leaving The Old, Both Worlds
At Once They View, That Stand On
The Threshold Of The New.-Walden*

As members of the yearbook staff, we have spent many long hours working, to make this yearbook the best it could possibly be. All of this would not have been possible, however, without some very special people. We wish to thank our administration, the faculty, each of our patrons and the student body, all of whom have supported us throughout the year. We would especially like to thank Mrs. Wright for giving us so much of herself to make this yearbook special for each of us.
